VOTING INFORMATION

Proxy Solicitation. We are furnishing you with this Proxy Statement in connection with the solicitation of your proxy for our Annual Meeting of Stockholders to be held on May 12, 2004 and at any adjournment thereof. This solicitation is being made by mail. We may also use our officers and other employees to solicit proxies from stockholders, personally or by telephone, facsimile, letter or electronic mail. We will pay all costs associated with our solicitation of proxies. If we request nominees and brokers to solicit their principals and customers for their proxies, we will reimburse the nominees and brokers for their reasonable out-of-pocket expenses.

Annual Meeting of Stockholders. Our Annual Meeting of Stockholders will be held on May 12, 2004 at 9:00 a.m. Eastern Daylight Time at the InterContinental Barclay located at 111 E. 48th Street, New York, New York. This Proxy Statement was first mailed to our stockholders entitled to notice of, and to vote at, the annual meeting on or about April 13, 2004.

Record Date. Each share of our common stock that you own as of April 2, 2004 entitles you to one vote. On April 2, 2004 there were 18,907,153 shares of our common stock outstanding.

Quorum. A quorum of stockholders is necessary for us to hold a valid meeting. If at least a majority of our common stock is present in person or by proxy, a quorum will exist. The inspector of election appointed for the annual meeting will determine whether a quorum is present. Abstentions and broker non-votes are counted as present to establish a quorum. A broker non-vote occurs when a broker does not vote on some matters on the Proxy Card because the broker does not have authority to do so.

Voting. You may vote on the proposals presented at the annual meeting in one of two ways:

- *By Proxy:* You can vote your shares by signing, dating and returning the enclosed Proxy Card. If you do this, the individuals named on the card will vote your shares in the manner you indicate. You may specify on your Proxy Card how you would like your shares voted. If you do not indicate instructions on the card, your shares will be voted *for* the election of each individual nominated for director; or
- *In Person:* You may come to the annual meeting and cast your vote.

If you grant us a proxy, you may revoke your proxy at any time before it is exercised by (1) sending notice to our Secretary at our principal executive offices in writing; (2) providing to us a later-dated proxy; or (3) attending the annual meeting in person and voting your shares. Merely attending the annual meeting, without further action, will not revoke your proxy.

Required Vote. A plurality of the votes cast at the annual meeting is required for the election of directors (Proposal I). This means that the four director nominees receiving the highest number of votes cast "FOR" will be elected. Only votes "FOR" will affect the outcome. Abstentions and broker non-votes are not counted for purposes of the election of directors.

If your broker holds your shares in its name, the broker is permitted to vote your shares on the election of directors even if the broker does not receive voting instructions from you.

Votes will be tabulated by the inspector of election appointed for the annual meeting.

**PROPOSAL I
ELECTION OF DIRECTORS**

Our Board of Directors currently has six members, two of whom are our employees and four of whom are non-employees.

Our Board of Directors is divided into three classes for purposes of election. Our Certificate of Incorporation calls for each class to consist, as nearly as possible, of one-third of the total number of directors that make up the Board of Directors. Typically, one class is elected at each annual meeting of stockholders to serve for a three-year term. We propose that three directors be elected at the annual meeting to hold office for a three-year term expiring in 2007 and that one director be elected at the annual meeting to hold office for a two-year term to expire in 2006. Directors who are not standing for election this year will continue in office for the remainder of their respective terms.

Our Board of Directors has recommended and nominated each of the following persons to be elected to our Board of Directors in the Class with terms expiring in 2007: **Messrs. Richard I. Beattie, John A. Fazio and Antonio Borges.**

In addition, our Board of Directors has recommended and nominated the following person to be elected to our Board of Directors in the Class with terms expiring in 2006: **Mr. Thomas J. Friel.**

The enclosed Proxy will be voted FOR electing the four nominees unless a specification is made to withhold the vote. Proxies cannot be voted for more than four nominees.

With the exception of Mr. Borges, each of the nominees is either an executive officer of the company or a director standing for reelection. Each of Mr. Friel (in June 2003) and Mr. Fazio (in September 2003) were elected to the Board to fill a vacancy at that time, and Mr. Borges has been nominated for election at this annual meeting to fill a vacancy. The recommendation of Messrs. Fazio and Borges for selection by our Board of Directors was the result of a search utilizing our firm's search capabilities. The search was conducted at the direction of our Nominating and Board Governance Committee, which is comprised solely of independent directors within the meaning of the applicable listing standards of the Nasdaq Stock Market (the "Nasdaq Rules").

If any nominee ceases to be a candidate for election for any reason, the Proxy will be voted for a substitute nominee designated by our Board of Directors. Our Board of Directors currently has no reason to believe that any nominee will not remain a candidate for election as a director or will be unwilling to serve as a director if elected. There are no family relations among any directors, executive officers, or persons nominated to become a director.

Below is certain information about each director nominee and those directors whose terms of office will continue after the annual meeting.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR ELECTING RICHARD I. BEATTIE, ANTONIO BORGES, JOHN A. FAZIO AND THOMAS J. FRIEL TO THE BOARD OF DIRECTORS.

CORPORATE GOVERNANCE

Board of Director and Stockholder Meetings. Our Board of Directors met seven times during 2003. All directors attended at least 75% of the meetings of the Board and the committees of which they were members. It is our policy that directors are expected to attend the annual meetings of stockholders unless circumstances impair their ability to do so. All of our directors attended the 2003 annual meeting of stockholders.

Board of Director Independence. Each year, our Board of Directors reviews the relationships that each director has with us and with other parties. Only those directors who do not have any of the relationships that preclude them from being independent within the meaning of applicable Nasdaq Rules, and who our Board of Directors affirmatively determines have no relationships that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director, are considered to be independent directors. Our Board of Directors has adopted Director Independence Standards to use in evaluating the independence of directors. After a review of the relevant information, our Board of Directors has determined that Richard I. Beattie, John A. Fazio, Robert E. Knowling, Jr., Douglas C. Yearly are independent directors of the company within the meaning of applicable Nasdaq Rules and our Director Independence Standards. You can access our Director Independence Standards on the Investor Relations portion of our website at: <http://www.heidrick.com>.

Stockholder Communications. Our stockholders may communicate directly with the Board of Directors. All communications should be directed to the company's secretary at: Corporate Secretary, Heidrick & Struggles International, Inc., 233 South Wacker Drive, Chicago, Illinois 60606. Such communications should prominently indicate on the outside of the envelope that it is intended for the Board of Directors or a particular director. Each communication intended for the Board of Directors or a particular director and received by the secretary will be forwarded to the specified party following its clearance through normal security procedures.

Code of Ethics. Our Board of Directors has adopted a Code of Business Conduct and Ethics. You can access this Code of Business Conduct and Ethics on the Investor Relations portion of our website at: <http://www.heidrick.com>.

COMMITTEES OF THE BOARD OF DIRECTORS

Our Board of Directors has a standing Audit Committee, Compensation Committee, and Nominating and Board Governance Committee. Our Board of Directors has determined that all of the directors who serve on these committees are independent within the meaning of our Director Independence Standards and the applicable Nasdaq Rules, including, in the case of members of the Audit Committee, the specific independence requirements for audit committees.

Our Board of Directors has adopted a charter for each of the three standing committees. You can access these committee charters on the Investor Relations portion of our website at: <http://www.heidrick.com>.

Audit Committee. The Audit Committee of the Board of Directors is presently composed of two directors, Mr. Knowling and Mr. Fazio, each of whom is independent within the meaning of applicable Nasdaq Rules. Mr. Fazio is the Chairman of the Audit Committee. The Board of Directors has determined that Mr. Fazio is an "audit committee financial expert" as defined in Securities and Exchange Commission Rules. For most of 2003, Mr. Frederic Salerno served as Chairman of the Audit Committee. Mr. Salerno resigned from the Board of Directors on March 16, 2004, creating a vacancy on the Audit Committee that we will fill in the near future. During 2003, the Audit Committee met nine times.

The Audit Committee recommends to our Board of Directors the appointment of independent public accountants to audit annually our books and records, meets with and reviews the activities and the reports of our

independent public accountants and reports the results of the review to our Board of Directors. The Audit Committee also periodically reviews the adequacy of our internal controls and pre-approves all services to be provided to the Company by our independent auditor, KPMG LLP. These and other aspects of the Audit Committee's authority are more particularly described in our Audit Committee Charter.

Compensation Committee. The Compensation Committee consists of three independent directors, Messrs. Knowing, Beattie and Yearley. Mr. Knowing chairs the Compensation Committee. Each member also qualifies as a "non-employee" for purposes of Section 16 of the Securities Exchange Act of 1934. The duties of the Compensation Committee are generally to review and approve employment and compensation matters involving executive officers. The Compensation Committee reviews, as appropriate, other compensation matters, including matters relating to salary, bonus, stock options and other equity and incentive arrangements. These and other aspects of the Compensation Committee's authority are more particularly described in the Compensation Committee Charter. During 2003, the Compensation Committee met four times.

Nominating and Board Governance Committee. The Nominating and Board Governance Committee consists of two independent directors, Messrs. Beattie and Yearley. Mr. Beattie chairs the Nominating and Board Governance Committee. The Nominating and Board Governance Committee makes recommendations to our Board of Directors concerning candidates for nomination to our Board of Directors, the membership on committees of our Board of Directors, compensation of our Board of Directors and other corporate governance matters. The Nominating and Board Governance Committee also approves all related party transactions in accordance with the applicable Nasdaq Rules. These and other aspects of the Nominating and Board Governance Committee's authority are more particularly described in the Nominating and Board Governance Committee Charter. During 2003, the Nominating and Board Governance Committee met four times.

Directors may be nominated by the Board of Directors or by stockholders in accordance with our Bylaws. The Nominating and Board Governance Committee reviews all proposed nominees for the Board of Directors, including those proposed by stockholders, in accordance with its mandate contained in its charter. This will include a review of the person's occupation, experience, time commitments, financial literacy, independence, judgment, understanding of our business or other related industries and such other factors as the Nominating and Board Governance Committee determines are relevant in light of the needs of the Board of Directors and the company. The Nominating and Board Governance Committee will select qualified candidates and review its recommendations with the Board of Directors, which will determine whether to nominate them for election to the Board of Directors. To date, the Nominating and Board Governance Committee has not paid a fee to any third party to assist in the process of identifying or evaluating director candidates, however the Nominating and Board Governance Committee has worked with search consultants from our firm to identify director candidates.

Stockholders who wish to recommend individuals for consideration by the Nominating and Board Governance Committee to be nominees for election to the Board of Directors may do so by notifying our secretary. In addition, our Bylaws permit stockholders to nominate directors at a stockholder meeting. To nominate a director at the 2005 Annual Meeting, a stockholder must notify our Corporate Secretary not less than sixty days nor more than ninety days prior to May 12, 2005. Notices should be sent to: Corporate Secretary, Heidrick & Struggles International, Inc., 233 South Wacker Drive, Chicago, Illinois 60606. In either case, the notice must meet all of the requirements contained in our Bylaws. The notice must set forth: (1) the name, age, business address and residence address of the proposed nominee, the class and number of voting shares of the company's capital stock the nominee beneficially owns and any other information relating to the nominee that is required to be disclosed in solicitations for proxies for the election of directors pursuant to Section 14 of the Securities Exchange Act of 1934 and the rules and regulations thereunder; and (2) as to the stockholder proposing such nominee, that stockholder's name and address, the class and number of voting shares of the company's capital stock the stockholder beneficially owns, a description of all arrangements and understandings between the stockholder and the nominee or any other person (including their names) pursuant to which the nomination is made, a representation that the stockholder intends to appear in person or by proxy at the meeting

to nominate the person named in its notice and any other information relating to the stockholder that is required to be disclosed in solicitations for election of directors pursuant to Section 14 of the Securities Exchange Act of 1934 and the rules and regulations thereunder. The notice must also be accompanied by a written consent of the proposed nominee to being named as a nominee and to serve as a director if elected.

DIRECTOR COMPENSATION

None of our directors who are also employees receive any compensation for serving as directors. In 2003, each of our non-employee directors received as compensation an annual retainer of \$50,000, of which \$25,000 was payable in cash and \$25,000 was payable in the form of restricted stock units awarded on the date of our annual meeting of stockholders (a pro-rata award of restricted stock units is made to directors who join the Board of Directors between annual meetings). These awards of restricted stock units do not vest until the earlier of the date on which a director ceases to serve on the Board and the date of a change in control. In 2003, the chairman of the Audit Committee received an additional annual fee of \$10,000, payable in cash.

Beginning in 2004, each of our non-employee directors will receive an annual retainer of \$75,000 of which \$50,000 will be payable in cash and \$25,000 will be payable in the form of restricted stock units awarded on the date of our annual meeting of stockholders (a pro-rata award of restricted stock units is made to directors who join the Board of Directors between annual meetings). In addition, the chairman of the Audit Committee will receive an additional fee of \$25,000 payable in cash, and the chairmen of the other standing committees will receive an additional fee of \$10,000 payable in cash.

We reimburse all members of our Board of Directors for their out-of-pocket expenses incurred in connection with attending meetings.

- (1) The performance share units reported in this table were awarded in March 2003 for the cycle commencing January 1, 2003 and ending December 31, 2005. The final value of a performance share unit award is based on the Company’s cumulative performance against a pre-determined performance target over the three-year award cycle and the price of the Company’s stock on the payout date. For the award cycle beginning in 2003, the performance target is profitability, which is defined under the PSP as the Company’s cumulative operating income over the three-year award cycle. Three years from the award date, the participant will earn and be paid out from 0% to 150% of the performance share units based on how the Company performed against the pre-determined performance target.
- (2) We do not expect to achieve our profitability targets established for the awards under the PSP and thus do not expect these awards will require any payout. Therefore, in 2003, we reversed the accruals relating to the PSP.
- (3) This column lists the number of shares of common stock, the value of which would be payable to the named executive officers at the threshold level of 80%-99.9% of profitability target. If the profitability is less than 80% at the end of the three-year cycle, no payments are made.
- (4) This column lists the number of shares of common stock, the value of which would be payable to the named executive officers at the target level.
- (5) This column lists the number of shares of common stock, the value of which would be payable to the named executive officers at the maximum level of 101%-150% of profitability target.
- (6) Mr. Friel’s award was pro-rated based on his period of eligibility.
- (7) Mr. Marmion’s award was terminated in accordance with his separation agreement.
- (8) Mr. Smith’s award was terminated in accordance with his separation agreement.

The 2003 agreement provides for Mr. Friel to receive a base annual salary of \$600,000 and to participate in the PSP, annual Management Incentive Plan (“MIP”), and Management Stock Option Plan (“MSOP”) at the levels determined by the Compensation Committee of the Board of Directors. Mr. Friel’s employment agreement will automatically extend for additional periods of twelve months unless either party provides notice of non-renewal at least six months prior to the end of the term.

Gerard R. Roche. Gerard R. Roche, Senior Chairman and a member of our Board of Directors, served as Acting Chief Executive Officer from April 8, 2003 to June 24, 2003. Mr. Roche’s employment agreement, effective June 4, 1990, provides for Mr. Roche to receive a base annual salary of \$1,000,000.

Fritz E. Freidinger. In connection with his joining the company, we entered into an employment agreement with Mr. Freidinger, effective December 2, 2002. The 2002 agreement provides for Mr. Freidinger to receive a base annual salary of \$200,000 and to participate in the PSP, annual MIP and MSOP at the levels determined by the Compensation Committee of the Board of Directors.

Joie Gregor. We entered into an employment agreement with Ms. Gregor, effective June 1, 1993. The 1993 agreement provided for Ms. Gregor to receive a base annual salary of \$150,000. In connection with her assignment as Regional Managing Partner, North America, in 2003 Ms. Gregor participated, pursuant to the GSP, in the PSP, annual MIP and MSOP at the levels determined by the Compensation Committee of the Board of Directors.

Jocelyn Dehnert. In connection with her assignment as Regional Managing Partner, Northern Europe, we entered into an employment agreement with Ms. Dehnert effective September 1, 2002. This agreement provides for Ms. Dehnert to receive an annual base salary of \$475,000 and to participate in the PSP and the annual MIP and MSOP at the levels determined by the Compensation Committee of the Board of Directors. The agreement also provides for certain expatriate adjustments and reimbursements while Ms. Dehnert is located in London, including a housing allowance of up to US\$481,481 (or £169,000, based on an exchange rate of US\$ = £0.351) per annum, a cost of living allowance, initially set at US\$150,923 (or £52,974 based on the same exchange rate) per annum to be adjusted semi-annually, and tax preparation fees.

All of the named executive officers are participants in our Change in Control Severance Plan (the “CIC Plan”) at the top tier and in our severance plan (the “Severance Plan”) at the top management level.

We established and maintain the CIC Plan in order to secure, in our best interests and the best interest of our stockholders, the continued services, dedication and objectivity of certain of our key employees in the event of any threat or occurrence of a change in control (as defined in the CIC Plan). The CIC Plan provides that upon our termination of a participant’s employment without cause or the participant’s resignation for good reason (as those terms are defined in the CIC Plan) within the two-year period commencing on a change in control, we will pay such participant a lump-sum cash payment equal to one or two times the sum of the participant’s base salary and bonus amount (as defined in the CIC Plan). Top-tier executives will receive two times base salary and bonus. The participant is also entitled to any accrued, but unpaid compensation, as well as the continuation of certain benefits. In addition, for top-tier executives, upon the occurrence of a change in control, we will accelerate the vesting of certain awards granted to such participants under the GSP and other compensatory plans maintained by us will be automatically accelerated and such participants may receive golden parachute gross-up payments. In order to receive any severance payments under the CIC Plan, the participant must waive his or her rights to any severance payments that he or she is entitled to receive under any other severance plan or employment agreement maintained by us. Each participant must also agree to abide by certain restrictive covenants, including covenants barring the participant from competing with us or soliciting any of our customers or employees for a period of one year.

[Table of Contents](#)

The Severance Plan provides severance benefits which are payable to a participant upon the involuntary termination of such participant's employment for any reason other than cause (as defined in the Severance Plan). Participants in the Severance Plan will not be eligible to receive benefits in the cases of voluntary resignation, commencement of a leave of absence, retirement, death or disability. In cases where the participant's employment is terminated by reason of the transfer to an affiliated business, the sale of the Company or all or part of its assets or the outsourcing of a division, department, business unit or function, benefits will be provided only if a new offer of employment with us or any of our affiliates has not been made to the affected participant. Executive officers participating in the Severance Plan at the top management level would receive a severance payment equal to one year of base salary plus target bonus amount. All severance payments, however, are capped at two times the participant's "annual compensation" (as defined in the Department of Labor Regulations). To receive any payment of severance benefits under the Severance Plan in excess of two weeks' base salary, the participant must sign a release.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

The Compensation Committee consists of three non-employee directors (Messrs. Knowing, Beattie and Yearley) and until May 21, 2003 consisted of Messrs. Knowing and Beattie and Ms. Carlene Ziegler. During 2003, no person who was a member of the Compensation Committee was one of our officers or employees, nor did any of our executive officers serve as a member of the Board of Directors or Compensation Committee of any entity that has one or more executive officers serving on our Board of Directors or Compensation Committee. From time to time, our Chief Executive Officer, certain other officers and outside consultants may attend meetings of the Compensation Committee but none of our officers may be present during discussions or deliberations regarding his or her own compensation nor may they vote on any matters brought before the Compensation Committee.

REPORT OF THE COMPENSATION COMMITTEE OF THE BOARD OF DIRECTORS ON EXECUTIVE COMPENSATION

Compensation Policy. We believe that executive compensation should be directly linked to increased stockholder value. Our approach to executive compensation is designed to support achieving our key business objectives, to align the executive officers' interests with those of our stockholders and to enable us to attract, retain and reward key personnel. It has been and currently is our policy to position our total compensation for our executive officers and other key employees at levels competitive with those of other major executive recruiting firms. Because many of these organizations are privately held, much of the compensation data is derived from executives and search consultants recruited by us and our understanding of pay practices and trends within the industry.

Relationship of Company Performance to Executive Compensation. Our executive compensation is comprised of two components: base salary and incentives (cash and non-cash), each of which is intended to serve the overall compensation program. Our salary levels are intended to be consistent with competitive pay practices and level of responsibility, with salary increases reflecting competitive trends, our overall financial performance, and general economic conditions as well as a number of factors relating to the particular employee, including his/her performance and the level of experience, ability and knowledge required for the job.

In October 2001, the Compensation Committee approved a comprehensive management compensation plan in which certain members of management would participate as a group rather than have individual contracts or other arrangements with varying incentives and other terms. Accordingly, the Compensation Committee approved a management compensation program consisting of a Performance Share Program ("PSP"), an annual Management Incentive Plan ("MIP") and a Management Stock Option Plan ("MSOP").

These plans, which remained in place for 2003, provide for participants to receive annual and longer-term incentive compensation. The MIP is an annual bonus program designed to link participant performance with the

[Table of Contents](#)

attainment of Company, strategic business unit and individual performance goals. The MIP provides for annual bonus compensation targets, with above or below target compensation payable based on actual performance. Bonuses to executive officers were awarded on this basis in 2003. The MSOP provides for grants of non-qualified stock options annually. Generally, the options vest over a three-year period, are forfeited in the event the participant is not in our employ on the vesting date and have a five-year term. The PSP, awards under which have been discontinued in 2004, provided long-term incentive compensation based on our cumulative performance and the price of our common stock measured at the end of three-year award cycles. Under the PSP, a participant received a grant expressed in shares that are earned if we have reached specific performance goals at the end of the relevant three-year cycle. Depending upon actual performance versus target and whether the participant remains employed by us as of the payout date, he or she may earn a fewer or greater number of performance share units (from 0% to 150% of those initially granted). The value of an award (which may be paid in cash or restricted stock units) at the end of the three-year award cycle will be equal to the product of the number of performance share units earned multiplied by the fair market value of the shares of our common stock on the payout date. We do not expect to achieve the profitability targets established for the awards under the PSP and thus do not expect that these awards will require any payout. Therefore, in 2003, we reversed the accruals related to the PSP.

For 2004, the MIP and the MSOP are being continued with some modifications. As noted above, awards under the PSP have been discontinued.

Compensation of the Chief Executive Officer. Mr. Friel became our Chief Executive Officer on June 24, 2003, having held numerous leadership positions with the firm since joining us in 1979. Effective June 24, 2003, we entered into a contract with Mr. Friel under which Mr. Friel receives a salary of \$600,000 per year with a target bonus of \$600,000. The agreement provides that Mr. Friel will receive 100% of his target bonus for his first twelve months of service as CEO. Under the agreement, Mr. Friel received options with respect to 100,000 shares and 50,000 Restricted Stock Units. Additionally, he received a pro-rata award under the PSP of 41,000 performance shares. The Compensation Committee approved Mr. Friel's compensation taking into account the scope and responsibility of the position and Mr. Friel's skills and experience. At the conclusion of his first twelve months of service as CEO, Mr. Friel's compensation will be awarded consistent with our compensation policy as set forth above.

Gerard R. Roche, our Senior Chairman and a member of the Board of Directors served as Acting Chief Executive Officer for the period April 8, 2003 through June 23, 2004. During this period, we paid Mr. Roche a base salary of \$215,188 as provided for in Mr. Roche's existing employment agreement. The salary Mr. Roche received during this period was the same amount he would have received if he had not taken on the Acting Chief Executive Officer role. The Compensation Committee awarded Mr. Roche a bonus of \$150,000 for his performance in the role of Acting Chief Executive Officer during 2003.

Certain Tax Matters. United States tax laws limit the deduction a publicly held corporation is allowed for compensation paid to the chief executive officer and to the four most highly compensated executive officers other than the chief executive officer. Generally, amounts paid in excess of \$1 million to a covered executive, other than performance compensation, cannot be deducted. We consider ways to maximize the deductibility of executive compensation but reserve the right to compensate executive officers in a manner commensurate with performance and the competitive environment for executive talent. As a result, some portion of executive compensation paid to an executive officer whose compensation is subject to the deduction limits described above may not be deductible in the United States.

PERFORMANCE GRAPH

The following performance graph compares the annual percentage change in our cumulative total stockholder return with the cumulative total stockholder return of two groups: the Nasdaq Composite Index and a Peer Group constructed by us. Cumulative total stockholder return for each of the periods shown in the graph is measured assuming an initial investment of \$100 on April 27, 1999, the date public trading of our common stock began, and assumes the reinvestment of any dividends paid.

The Peer Group is comprised of five publicly traded companies that are engaged principally, or in significant part, in executive search consulting and/or Internet-based recruiting. We believe that they constitute the best approximation of a peer group among companies that were publicly traded for the period being evaluated. Many of our direct competitors who specialize in senior level executive search are privately held firms.

The returns of each company have been weighted according to their respective stock market capitalization at the beginning of each measurement period for purposes of arriving at a Peer Group average. Previously, the members of the Peer Group were Caldwell Partners International, Inc., Korn/Ferry International, Monster Worldwide Inc., and Whitehead Mann Group PLC. For 2003, we have expanded our peer group to include Hudson Highland Group, Inc., which was spun off from Monster Worldwide, Inc. in March 2003. Hudson Highland Group engages in retained executive search and other related businesses.

The stock price performance depicted in this graph is not necessarily indicative of future price performance. This graph will not be deemed to be incorporated by reference by any general statement incorporating this Proxy Statement into any of our filings under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, except to the extent we specifically incorporate this information by reference, and shall not otherwise be deemed soliciting material or deemed filed under those Acts.

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

The Audit Committee of the Board of Directors is presently composed of two directors, Mr. Knowling and Mr. Fazio, each of whom is independent within the meaning of applicable Nasdaq Rules. For most of 2003, Mr. Frederic Salerno served as Chairman of the Audit Committee. Mr. Salerno resigned from the Board of Directors on March 16, 2004, creating a vacancy on the Audit Committee that The Board of Directors will fill in the near future. The Board of Directors has determined that John A. Fazio is an “audit committee financial expert” as defined in Securities and Exchange Commission rules. During 2003, the Audit Committee met nine times.

In 2003, the Board of Directors amended the Audit Committee’s charter. A copy of the amended charter is attached to this proxy statement as Appendix A. You can also access the amended charter on the Investor Relations portion of our website at: <http://www.heidrick.com>.

The Audit Committee recommends to the Board of Directors the selection of our independent auditors. Accordingly, the Audit Committee has recommended to the Board of Directors, and the Board of Directors accepted the recommendation, that KPMG LLP be appointed our independent auditors for 2004.

Management has primary responsibility for our internal controls and the financial reporting process. The independent auditors are responsible for performing an independent audit of our consolidated financial statements in accordance with generally accepted auditing standards and to issue a report thereon. The Audit Committee’s responsibility is to monitor and oversee these processes.

In this context, the Audit Committee’s review of our financial statements for 2003 included discussions with management and KPMG LLP. Management represented to the Audit Committee that our consolidated financial statements were prepared in accordance with generally accepted accounting principles. The Audit Committee discussed with KPMG LLP the matters required to be discussed by Statement on Auditing Standards No. 61 (“Communications with Audit Committees”). KPMG LLP also provided to the Audit Committee the written disclosures and the letter required by the Independence Standards Board Standard No. 1 (“Independence Discussions with Audit Committees”) and discussed with the Audit Committee that firm’s independence. Based upon the Audit Committee’s discussion with management and the independent auditors, and the Audit Committee’s review of the representations of management and the report of the independent auditors to the Audit Committee, the Audit Committee recommended to the Board of Directors that the audited, consolidated financial statements for the year ended December 31, 2003 be included in our Annual Report on Form 10-K.

THE AUDIT COMMITTEE

John A. Fazio (Chairman)
Robert E. Knowling, Jr.

INDEPENDENT AUDITORS

As recommended by the Audit Committee, the Board of Directors has appointed KPMG LLP as our independent auditors for 2004. Representatives of KPMG LLP are expected to be present at our annual meeting, will be provided the opportunity to make a statement at the annual meeting if they desire to do so and will be available to respond to appropriate questions from stockholders.

All services provided by KPMG LLP in 2003 were, and all services to be provided by KPMG LLP in 2004 will be, permissible under applicable laws and regulations. All services provided by KPMG LLP are pre-approved by the Audit Committee.

The table below sets forth the fees billed by KPMG LLP for professional services (both audit and non-audit). Non-audit services are defined as services other than those provided in connection with an audit or a review of our financial statements.

<u>Fee Category</u>	<u>2003</u>	<u>% of Total</u>	<u>2002</u>	<u>% of Total</u>
Audit Fees (1)	\$801,537	82%	\$718,215	76%

All Other Fees (4)	81,459	8%	19,560	2%
Total Fees	\$982,819	100%	\$941,475	100%

- (2) Fees for professional services rendered related to the audit of an employee benefit plan.
- (3) Fees for tax services, including tax compliance, tax advice and tax planning.
- (4) Fees for miscellaneous accounting advice, employee benefit plan compliance services and, in 2003 only, Sarbanes-Oxley Section 404 advisory services.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Pursuant to their respective employment agreements, we loaned on an interest free basis an aggregate of £1,317,350 (\$1,915,822) to Mr. Marmion, our former Chief Executive Officer, on September 30, 2000 and June 30, 2001; \$700,000 to Mr. Knox Millar, our former Chief Human Resources Officer, on July 3, 2001; and \$250,000 to Mr. Kevin Smith, our former Chief Financial Officer, on April 19, 2002, respectively. Pursuant to Mr. Marmion's separation agreement, we forgave the entire outstanding principal amount of his loan on June 30, 2003 upon his resignation. Pursuant to Mr. Millar's employment agreement, we forgave the entire outstanding principal amount on June 30, 2003, upon his resignation. Pursuant to Mr. Smith's separation agreement, we forgave the entire principal amount of his loan on March 31, 2004 upon his resignation.

The largest aggregate amounts of indebtedness outstanding under these loans during the 2003 fiscal year were £1,053,881 for Mr. Marmion, \$350,000 for Mr. Millar and \$250,000 for Mr. Smith. As of April 2, 2003 there were no balances outstanding on these loans.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires that our officers and directors, and persons who own more than ten percent (10%) of a registered class of our equity securities, file reports of ownership on Form 3 and changes in ownership on Forms 4 or 5 with the Securities and Exchange Commission. These officers, directors and individuals, entities or groups holding ten percent (10%) or more of our outstanding shares of common stock are also required by the Securities and Exchange Commission rules to furnish us with copies of all forms they file.

Based solely on a review of the copies of the forms and written representations from certain reporting persons, we believe that, during 2003, all forms required under Section 16(a) applicable to our officers, directors, and individuals, entities or groups holding ten percent (10%) or more of our outstanding shares of common stock were filed on a timely basis, except that a Form 4 was filed late for each of Mr. John Gardner and Ms. Gregor with respect to three transactions involving the acquisition of stock options and restricted stock units and the exercise of stock options; a Form 4 was filed late for each of Messrs. Marmion and Freidinger with respect to a single transaction involving the acquisition of employee stock options; a Form 4 was filed late for Mr. Roche with respect to two transactions involving the acquisition of stock options and restricted stock units; a Form 4 was filed late for Mr. Smith with respect to two transactions involving the acquisition of stock options and restricted stock units; and a Form 3 was filed late for each of Ms. Gregor and Mr. Fazio to report beneficial ownership information for each of them as a result of becoming an officer and director respectively.

STOCKHOLDER PROPOSALS FOR NEXT YEAR'S ANNUAL MEETING

Advance Notice Procedures. Under our Amended and Restated Bylaws, no business may be brought before an annual meeting unless it is specified in the notice of the meeting or is otherwise brought before the meeting by or at the direction of the Board or by a stockholder entitled to vote at the meeting who has delivered advance notice to us. The advance notice must contain certain information specified in our Amended and Restated Bylaws and be delivered to our Secretary at our principal executive offices (233 South Wacker Drive, Suite 4200, Chicago, Illinois 60606-6303) not less than sixty (60) days nor more than ninety (90) days prior to the first anniversary of the preceding year's annual meeting. These requirements are separate from and in addition to the Securities and Exchange Commission's requirements that a stockholder must meet in order to have a stockholder proposal included in our Proxy Statement for the 2005 Annual Meeting of Stockholders pursuant to Rule 14a-8 under the Securities Exchange Act of 1934, as amended ("SEC Rule 14a-8").

Stockholder Proposals to be Included in the Proxy Statement. Stockholders interested in submitting a proposal for inclusion in our proxy materials for the 2005 Annual Meeting of Stockholders may do so by following the procedures prescribed in SEC Rule 14a-8. A proposal that does not comply with the applicable requirements of SEC Rule 14a-8 will not be included in our proxy materials for the 2005 Annual Meeting of Stockholders.

OTHER MATTERS

As of the date of this Proxy Statement, the above is the only business we are aware of that is to be acted upon at the annual meeting. If, however, other matters should properly come before us at the annual meeting, the persons appointed by your signed proxy will vote on those matters according to their best judgment.

The Board shall have the power at any time to change the membership of the Audit Committee and to fill vacancies in it. Except as expressly provided in this Charter, the Amended and Restated Bylaws of the Company or the Corporate Governance Guidelines of the Company, or as otherwise provided by Nasdaq, the Audit Committee shall fix its own rules of procedure.

D. Statement of Policy

The Audit Committee shall provide assistance to the Board in fulfilling the Board’s responsibilities to the shareholders and investment community regarding corporate accounting and reporting practices, including the quality and integrity of the financial reports of the Company. In doing so, the Audit Committee should strive to maintain free and open means of communication among the Audit Committee Members, independent auditors and financial management of the Company.

[Table of Contents](#)

These are the responsibilities of management and the independent auditors.
