**REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

The Plan Administrator and the Investment Committee  
Heidrick & Struggles, Inc. 401(k) Profit Sharing and Retirement Plan:

We have audited the accompanying statements of net assets available for benefits of Heidrick & Struggles, Inc. 401(k) Profit Sharing and Retirement Plan (the Plan) as of December 31, 2006 and 2005, and the related statement of changes in net assets available for benefits for the year ended December 31, 2006. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits as of December 31, 2006 and 2005, and the changes in net assets available for benefits for the year ended December 31, 2006, in conformity with U.S. generally accepted accounting principles.

Our audits were performed for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental schedule, Schedule H, Line 4i—Schedule of Assets (Held at End of Year) as of December 31, 2006, is presented for the purpose of additional analysis and is not a required part of the basic financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. This supplemental schedule is the responsibility of the Plan's management. The supplemental schedule has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

**NOTES TO FINANCIAL STATEMENTS**

**1. Description of Plan**

The following description of the Heidrick & Struggles, Inc. 401(k) Profit Sharing and Retirement Plan (the Plan) provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

*General*

The Plan was established as of January 1, 1989, as the result of the merger of the Heidrick & Struggles 401(k) Profit Sharing Plan and the Heidrick & Struggles, Inc. Pension Plan. The plan sponsor is Heidrick & Struggles, Inc. (the Company), a wholly owned subsidiary of Heidrick & Struggles International, Inc. (HSII). The Plan is a defined contribution plan established for the benefit of the Company's eligible employees and the eligible employees of any other organization designated by HSII's Board of Directors.

The Plan provides for elective contributions on the part of the participating employees and for employer matching and discretionary contributions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended, and provisions of the Internal Revenue Code of 1986 (IRC) as it pertains to plans intended to qualify under Section 401(a) of the IRC.

Vanguard Fiduciary Trust Company (VFTC) is the trustee of the Plan under a contractual agreement with the Company. VFTC maintains all records of the Plan and assumes responsibility for the proper allocation of income among all participants accounts in the Plan. The Plan is administered by a Plan Administrator and an Investment Committee, the latter of which is appointed by the Company's Board of Directors.

*Contributions*

After completing 30 days of service and attaining age 21, participants may contribute up to 50% of their eligible compensation up to the maximum allowed by the IRC. For 2006, the Company matched contributions each payroll period of those participants with a minimum of one year of service on a one-for-one basis up to a maximum employer matching contribution per participant of \$3,000. In 2005, the Company matched contributions each payroll period of those participants with a minimum of one year of service on a one-for-one basis up to a maximum employer matching contribution per participant of \$2,500. Additionally, the Company's Compensation Committee has the option of making discretionary contributions to benefit all participants with a minimum of one year of service. This discretionary amount is determined each year by the Company's Compensation Committee. For the 2006 and 2005 plan years, the Company's Compensation Committee elected not to make a discretionary contribution.

*Vesting and Forfeitures*

Participants are immediately vested in their voluntary contributions as well as in their employer's matching contributions and earnings thereon. Vesting in the Company's discretionary contributions and earnings thereon commences after three years of service (at least 1,000 hours per year) according to the following schedule: 20% vested after three years of service, 40% vested after four years of service, 60% vested after five years of service, 80% vested after six years of service, and 100% vested after seven years of service. Nonvested portions of Company discretionary contributions are forfeited as of a participant's termination date and are used to reduce the Company's future contribution.

At December 31, 2006 and 2005, forfeited nonvested accounts totaled \$78,179 and \$43,931, respectively. These accounts will be used to reduce future employer contributions.

### *Participant Accounts*

Participants may direct their account balance among the various investment options offered by the Plan. Each participant's account is credited with their contributions, the employer matching contributions, and an allocation of the employer discretionary contribution, if any, and plan earnings. Administrative and trustee fees not paid by the Company are charged to the participant's account. Allocations are based on participant earnings or account balances, as defined in the plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. As of December 31, 2006 and 2005, there were 872 and 760 participants in the Plan, respectively.

### *Payment of Benefits*

When a participant terminates their employment with the Company and elects to receive a distribution, the participant's vested account may be rolled over to a qualified plan or be distributed as a lump-sum amount to the participant or to the participant's designated beneficiary in the event of the participant's death. If a terminated participant has prior money pension purchase monies and elects to receive a distribution, the participant's vested account for those monies may only be (a) rolled over to a qualified plan, (b) distributed as a lump-sum amount, (c) applied toward the purchase of various types of annuities, or (d) distributed in equal monthly or annual installments over a period not to exceed the life expectancy of the participant.

### *Loans to Participants*

Participants may borrow the lesser of \$50,000 or one-half of their vested account balance in the Plan, exclusive of the Heidrick & Struggles International, Inc. Stock Fund, with a minimum loan amount of \$1,000. Loans are repayable through payroll deductions over periods ranging up to 60 months. Loans are secured by the balance in the participant's account and bear interest at the prime rate plus 1%. Principal and interest are paid ratably through payroll deductions.

### *Administrative Fees*

Administrative and trustee fees related to the general administration of the Plan are paid by the Plan. The Company provides certain administrative services to the Plan and pays substantially all other expenses of the Plan.

### *Plan Termination*

Although it has not expressed an interest to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts. Any unallocated assets of the Plan shall then be distributed to participant accounts in such a manner as the Company shall determine.

## **2. Summary of Significant Accounting Policies**

### *Basis of Accounting*

The financial statements of the Plan have been prepared using the accrual basis of accounting in accordance with U.S. generally accepted accounting principles.

### *Use of Estimates*

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of additions to and deductions from net assets available for benefits during the reporting period. Actual results could differ from those estimates.

### *Valuation of Investments and Income Recognition*

Shares of registered investment companies are valued at quoted market prices, which represent the net asset value of shares held by the Plan at year-end. HSII common stock is valued at its year-end closing share price (comprised of year-end market price plus uninvested cash position). Other equity securities are valued at the last quoted sales price as of the close of trading at year-end; such

## [Table of Contents](#)

securities not traded on the year-end date are valued at the last quoted bid price. Fixed income securities are valued using the last quoted bid price. Participant loans are valued at cost, which approximates fair value.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned and dividends are recorded on the ex-dividend date. Capital gain distributions are included in dividend income.

### *Risks and Uncertainties*

The Plan provides for investments in HSII common stock and mutual funds that, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

### *Payments of Benefits*

Benefits are recorded when paid.

### **5. Tax Status**

The Internal Revenue Service (IRS) has determined and informed the Company by a letter dated June 23, 2005, that the Plan and related trust, as amended and restated effective January 1, 2003, including the First Amendment thereto, are designed in accordance with the applicable sections of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Effective March 28, 2005, the Plan was amended to implement the automatic rollover provisions under Section 401(a)(31)(B) of the IRC as amended by the Economic Growth and Tax Relief Reconciliation Act of 2001. This Second Amendment lowered the mandatory cash out threshold from \$5,000 to \$1,000 and converted the form of direct rollovers for amounts between \$1,000 and \$5,000 to a qualified individual retirement account. Although the Second Amendment has not been approved by the IRS, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Effective January 1, 2006, the Plan was amended to reflect certain provisions of the final regulations under Sections 401(k) and 401(m) of the IRC that were published on December 29, 2004. This Third Amendment was intended as "good faith" compliance with the requirements of these provisions.

Effective January 1, 2007, the Plan was amended to provide a nondiscretionary Company matching contribution equal to 100% of a participant's contribution not to exceed the greater of \$3,500 or 2.5% of a participant's compensation (maximum of \$5,625). In order for a participant to vest in the 2007 Company match, the participant must be employed by the Company on December 31, 2007. This Fourth Amendment also provided that vesting in the Company's discretionary contributions made after the 2006 plan year and earnings thereon commences after two years of service (at least 1,000 hours per year) according to the following schedule: 20% vested after two years of service, 40% vested after three years of service, 60% vested after four years of service, 80% vested after five years of service, and 100% vested after six years of service.

Although the Third Amendment and Fourth Amendment have not been approved by the IRS, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.
